CATALOGUE / 2026

INDUSTRIAL WIPING SOLUTIONS

Practical textiles, microfiber, cleanroom wipes and disposable papers for industrial buyers.

FIVE PRODUCT FAMILIES

01 COTTON WIPING CLOTH

02 MICROFIBER

03 CLEANROOM WIPES

04 WIPING PAPER

05 RECYCLED WIPING RAGS

PRODUCT RANGE / COMPANY

HUZHOU JIETESI TEXTILE CO., LTD.

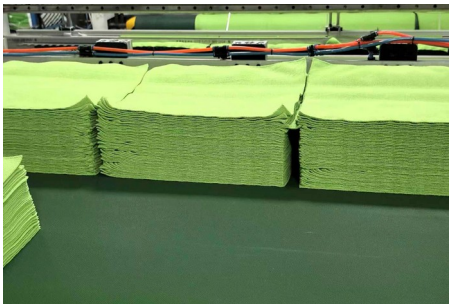

ABOUT JETESO

Textile experience. Coordinated sourcing. Dependable supply.

With nearly 30 years of textile industry experience, JETESO provides distributors and factories with a reliable supply of industrial wiping materials.

We support product selection, specification and packaging confirmation, and bulk delivery based on customer requirements, helping customers maintain a stable, long-term supply chain.

SUPPLY & DELIVERY CAPABILITIES

TEXTILE PROCESSING

BULK PACKING & SUPPLY

EXPORT DISPATCH

PRODUCT RANGE / APPLICATIONS

INDUSTRIES WE SERVE

Wiping solutions for a broad range of industrial and maintenance environments.

CNC & METALWORKING

Oil, coolant and chips

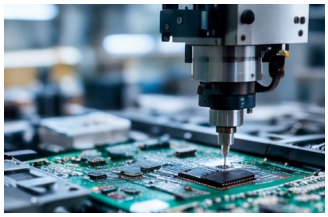

AUTOMOTIVE PRODUCTION

Parts and assembly lines

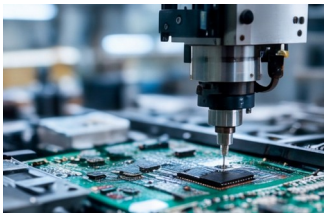

AUTO REPAIR & SERVICE

Engine and tool cleaning

ELECTRONICS & PCB

Components and workbenches

CLEANROOM & PRECISION

Low-lint cleaning tasks

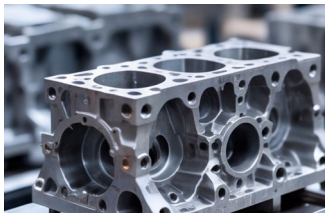

GENERAL MANUFACTURING

Daily equipment upkeep

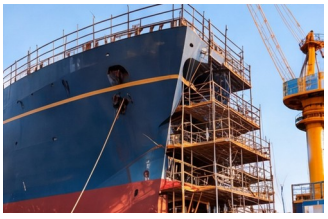

OIL, GAS & ENERGY

Plant maintenance

FOUNDRY & STEEL

Heavy industrial surfaces

MARINE & SHIPYARDS

Machinery and oil wiping

MRO & WORKSHOPS

Maintenance and service

PRODUCT RANGE / OVERVIEW

FIVE PRODUCT SERIES

A focused selection of wiping materials for different applications.

01 INDUSTRIAL WIPING CLOTH

Cotton and poly-cotton cloths | new materials

02 INDUSTRIAL MICROFIBER WIPES

Polyester and polyester/polyamide microfiber

03 CLEANROOM WIPES

Polyester, microfiber and nonwoven wiping options

04 INDUSTRIAL WIPING PAPER

Industrial rolls, sheets and center-pull formats

05 RECYCLED WIPING RAGS

Recycled garments, towels and bed sheets

PRODUCT RANGE / 01

INDUSTRIAL WIPING CLOTH

New cotton and poly-cotton wiping materials for routine industrial cleaning.

JTS-0016 / FEATURED PRODUCT

Cotton Wiping Cloth

Soft new cotton textiles for wiping machinery, oil, water and general plant maintenance.

TECHNICAL PROFILE

MATERIAL	New cotton wiping cloth
TYPICAL CUT	30 x 40 / 40 x 60 cm; other sizes on request
CUT FINISH	Natural cut / precision cut
PACKING	PP woven bags / compressed packs
INSPECTION	Metal detection on applicable orders

PRODUCT SELECTION

SKU / PRODUCT		MATERIAL / CONFIGURATION
 JTS-0001	Various Blended White Wiping Cloths	New blended white textile materials
 JTS-0034	White Greige Wiping Cloth	New greige textile materials
 JTS-0004	White Poly-Cotton Wiping Rags	New white poly-cotton textiles
 JTS-0088	Composite Fleece Wiping Cloth	New fleece-type wiping fabric
 JTS-0019	Colored Cotton Wiping Cloth	New colored cotton; assortments by order

PRODUCT RANGE / 02

INDUSTRIAL MICROFIBER WIPES

Microfiber towels for cleaning, detailing and industrial surface care.

JTS-0102 / FEATURED PRODUCT

High-Low Pile Microfiber Towel

Polyester/polyamide high-low pile structure for surface cleaning and liquid pickup.

TECHNICAL PROFILE

MATERIAL	Polyester / polyamide microfiber
CONSTRUCTION	High-low pile; confirm by SKU
SIZES	30 x 30 / 40 x 40 cm; custom options
COLORS	Selected colors by order
PACKING	Multi-piece bags or cartons

PRODUCT SELECTION

SKU / PRODUCT		MATERIAL / CONFIGURATION
 JTS-0101	Polyester Microfiber Towel	100% polyester; standard wiping
 JTS-0103	Weft-Knitted Polyester Towel	100% polyester; white knit microfiber
 JTS-0104	Thick Microfiber Towel	Thick pile; material by model

Fiber ratio, weight, edge finishing, colors and packing are confirmed against selected samples.

PRODUCT RANGE / 03

CLEANROOM WIPES

Technical wiping media for electronic, optical and other controlled cleaning tasks.

JTS-0201 / FEATURED PRODUCT

Polyester Cleanroom Wiper

Polyester cleanroom wipes with selectable cutting and clean packaging formats.

TECHNICAL PROFILE

MATERIAL	Polyester knitted wiper
COMMON SIZES	4 x 4 / 6 x 6 / 9 x 9 inches
EDGE FINISH	Laser / ultrasonic / heat-sealed by model
PACKAGING	Clean bag / double bag options
CLEANLINESS	By actual test report and SKU

PRODUCT SELECTION

SKU / PRODUCT		MATERIAL / CONFIGURATION
 JTS-0202	Microfiber Cleanroom Wiper	High-density microfiber cloth
 JTS-0203	Cellulose-Polyester Nonwoven Wiper	Wood pulp / polyester; nonwoven
 JTS-0204	Antistatic Wiping Cloth	ESD-oriented material; values by test
 JTS-0205	Needle-Punched Absorbent Wiper	Absorbent nonwoven; cleanroom use requires testing

ISO 14644-1 classifies air, not wipes. Check product-specific cleanroom test data.

PRODUCT RANGE / 04

INDUSTRIAL WIPING PAPER

Disposable industrial wiping paper for oil, water and workstations.

JTS-0301 / FEATURED PRODUCT

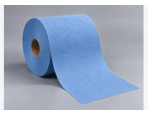

Multipurpose Jumbo Industrial Wipe

Large-roll wiping supplies for workshops, equipment stations and plant maintenance.

TECHNICAL PROFILE

MATERIAL	Cellulose / composite; by model
FORMAT	Jumbo rolls / sheets / center-pull
COLORS	White / blue by model
SURFACE	Plain or embossed options
PACKING	Single-roll / multi-roll cartons

PRODUCT SELECTION

SKU / PRODUCT		MATERIAL / CONFIGURATION
 JTS-0302	Heavy-Duty Industrial Wipe	Reinforced composite; heavy-use format
 JTS-0303	Lightweight Absorbent Wipe	Absorbent paper-composite formats
 JTS-0304	Embossed Industrial Wipe	Textured surface; sheets or rolls
 JTS-0305	Center-Pull Industrial Wipe Roll	Perforated center-pull roll

GSM, width, sheet dimensions, roll length and counts depend on the selected specification.

PRODUCT RANGE / 05

RECYCLED WIPING RAGS

Sorted and cut recycled textiles for cost-conscious industrial maintenance.

JTS-0043 / FEATURED PRODUCT

Recycled Colored Knit Rags

Recycled mixed-color garment textiles for general wiping and machinery maintenance.

TECHNICAL PROFILE

SOURCE	Recycled knit garments
MATERIAL	Cotton / cotton blends; batch-dependent
CUTTING	Irregular cut by batch
COLORS	Mixed colors; reasonable variation
PACKING	PP woven bags by weight

PRODUCT SELECTION

SKU / PRODUCT		MATERIAL / CONFIGURATION
	JTS-0052 Recycled Hotel Towel Rags	Recycled white terry towels
	JTS-0049 Recycled 100% Cotton Bedsheet Rags	Recycled white 100% cotton bed sheets

Recycled grades vary by batch. Exact fabric weight, colors and cut dimensions cannot be guaranteed.

WHY CHOOSE JETESO

Nearly three decades of textile know-how, coordinated sourcing and practical export support.

01

NEARLY 30 YEARS OF TEXTILE EXPERIENCE

Textile material knowledge.
Practical supply experience.

02

CORE TEXTILE SUPPLY

Direct resources for new cloth.
Established recycled supply.

03

FIVE PRODUCT RANGES ONE SOURCING PARTNER

Five categories, sourced to fit.
Simpler supplier coordination.

04

COST-CONSCIOUS SOURCING

Integrated supplier network.
Competitive sourcing options.

05

FLEXIBLE CUTS & PACKING OPTIONS

Size and cutting options.
Packing to agreed requirements.

06

ORDER-LEVEL QUALITY CONFIRMATION

Agreed samples and pack labels.
Photos and pre-shipment checks.

07

EXPORT & CONTAINER COORDINATION

Bulk packing and pallet planning.
Export shipment coordination.

08

REPEAT-ORDER SUPPLY SUPPORT

Planned repeat supply.
Coordinated sourcing and stock.

LET'S WORK TOGETHER.

Request a quote or sample. Tell us your material, size, packing and volume requirements.
